

LIVINGSTON COUNTY HABITAT FOR HUMANITY'S

# Hard Hats hammers & Heels!

"The Beverly Vandenberg Women's Build Club"

## *Empowering Women and Providing Hope*

Do you have a home?

What's your favorite room in that home?

Imagine, not having that place of relaxation and refuge to return to every night.

Imagine, having to find a way for your children to grab a snack, without falling through the kitchen floor.

Imagine, your living room and bedroom being wet all the time because you couldn't afford to repair the hole in the roof.

**Join an elite group of women with a mission to help other women and families have that home, that favorite room, that safe floor and dry bed every day.**

As a Hard Hats, Hammers & Heels club member you will not only help provide safe and affordable housing for women and families in Livingston County, but also be an extension and ambassador for Habitat for Humanity.

# Become an Elite H3 Member TODAY!
